- Have 2 direct referral purchasers on the real map, and at least each to the left and right of the binary map.

Rank	Small group PV (number of boxes)	Growth conditions
Silver	120,000 PV (10 boxes) or more	No conditions
Triple Silver	360,000 PV (30 boxes) or more	No conditions
Six Silver	720,000 PV (60 boxes) or more	No conditions
Gold	1,200,000 PV (100 boxes) or more	2 Silver rank lines on the Real Map make 1 person on each of the left and right sides of the Binary Map
Triple Gold	3,600,000 PV (300 boxes) or more	Same as Gold
Six Gold	7,200,000 PV (600 boxes) or more	Same as Gold
Diamond	12,000,000 PV (1,000 boxes) or more	2 Gold rank lines on the Real Map make 1 person on each of the left and right sides of the Binary Map
Triple Diamond	36,000,000 PV (3,000 boxes) or more	4 Gold rank lines on the Real Map make 2 persons on each of the left and right sides of the Binary Map
Six Diamond	72,000,000 PV (6,000 boxes) or more	6 Gold rank lines on the Real Map make 3 persons on each of the left and right sides of the Binary Map

3,000 PV when 1 box is purchased by a new registrant. 10,000 PV will be paid when 2 boxes are purchased by a new registrant.

Pair Bonus

Members are eligible to receive a Pair Bonus when there is at least one direct referral on both sides of the members Binary Map, purchasing at least one product in a given month. When calculating the pair bonus, the areas with no purchases will be compressed. Pair bonus can be obtained as a sum of money in accordance with the following table.

However, there is a maximum limit of 300 levels that can be counted as pairs.

Number of directly referred member purchasers	Number of personally purchased boxes	
	Personal purchase of 1 box	Personal purchase of 2 boxes
2 – 3	1,500 PV	3,000 PV
4 – 5	2,000 PV	4,000 PV
6 or more	2,500 PV	5,000 PV

* The level is counted after referrals on the binary map who have not made a purchase are compressed.

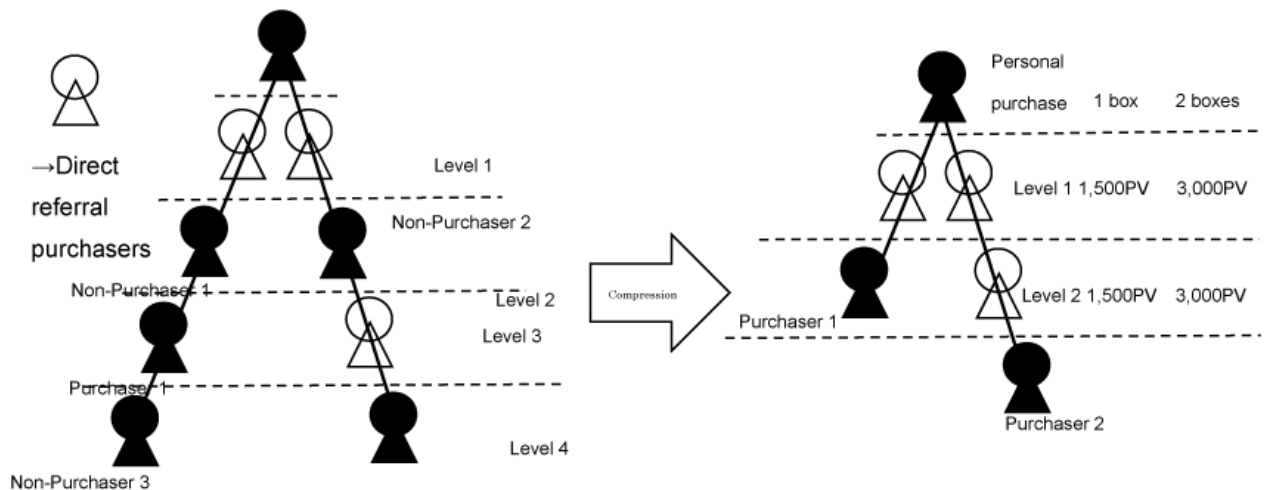

Example 1: If there are four directly referred purchasers and pairs are lined up to Level 4

For a personal purchase of 1 box, 2,000 PV x 4 levels = 8,000 PV

For a personal purchase of 2 boxes, a bonus of 4,000 PV x 4 levels = 16,000 PV

Example 2: If there are three directly referred purchasers and pairs are lined up to Level 2

For a personal purchase of 1 box, 1,500 PV x 2 levels = 3,000 PV

For a personal purchase of 2 boxes, a bonus of 3,000 PV x 2 levels = 6,000 PV

Balance Bonus

Balance Bonus is calculated based on the total sales of the member's right and left group in a given month. A member can qualify to receive balance bonus if the conditions for the Pair Bonus have been met. For each sale of 1 box, the amount shown in the following table can be obtained depending on rank.

Rank	For personal purchase of 1 box		For personal purchase of 2 boxes	
	From 1 box in large group	From 1 box in small group	From 1 box in large group	From 1 box in small group
Silver	50 PV	300 PV	100 PV	600 PV
Triple Silver	100 PV	300 PV	200 PV	600 PV
Six Silver	100 PV	300 PV	200 PV	600 PV

Gold	150 PV	300 PV	300 PV	600 PV
Triple Gold	200 PV	300 PV	400 PV	600 PV
Six Gold	200 PV	300 PV	400 PV	600 PV
Diamond	250 PV	300 PV	500 PV	600 PV
Triple Diamond	300 PV	300 PV	600 PV	600 PV
Six Diamond	300 PV	300 PV	600 PV	600 PV
Crown Diamond	300 PV	300 PV	600 PV	600 PV

* When 3 or more boxes are purchased, boxes from the 3rd box onwards will be added to small group sales.

However, an upper limit is set, depending on rank, for available bonus amounts and number of boxes to be calculated.

Rank	Maximum available	
	Amount	Number of boxes
Silver	11,000 PV	The maximum for large groups is 5 times the number of boxes sold in small groups
Triple Silver	48,000 PV	
Six Silver	96,000 PV	
Gold	210,000 PV	
Triple Gold	780,000 PV	
Six Gold	1,560,000 PV	
Diamond	3,100,000 PV	
Triple Diamond	10,800,000 PV	
Six Diamond	21,600,000 PV	
Crown Diamond	36,000,000 PV	

Example: For a personal purchase of 2 boxes, rank of Gold, organization of 500 boxes in large group, 200 boxes in small group

From large group

$$500 \text{ boxes} \times 300 \text{ PV} = 150,000 \text{ PV}$$

From small group

$$200 \text{ boxes} \times 600 \text{ PV} = 120,000 \text{ PV}$$

150,000 PV + 120,000 PV = 270,000 PV, but due to the upper limit for this bonus, the available bonus is 210,000 PV.

Global Bonus

A bonus, which is the total of the shares for each rank completed and below, and which can be obtained when Triple Gold or higher rank has been achieved.

1% of all global sales for the Thanks Ai Group will be distributed to people who have achieved each of the following ranks.

Example: For total global sales of 1 billion PV (1% = 10 million PV)

Rank achieved	Number of qualified people	Amount of bonus distributed	Amount of bonus obtain
Triple Gold	100	100,000 PV	100,000 PV
Six Gold	50	200,000 PV	300,000 PV (100K+ 200K)
Diamond	20	500,000 PV	800,000 PV (100K + 200K + 500K)
Triple Diamond	10	1,000,000 PV	1,800,000 PV (100K + 200K + 500K + 1M)
Six Diamond	5	2,000,000 PV	3,800,000 PV (100K + 200K + 500K + 1M + 2M)
Crown Diamond	1	10,000,000 PV	13,800,000 PV (100K + 200K + 500K + 1M + 2M + 10M)

Season Bonus

We shall allocate 1% of global sales as a bi-annual Season Bonus in June and December of every year to the members whose ranking is higher than Gold Rank more than three times in the six months prior to the allocation month (June and December) to receive the bonus.

[Target months]

If the allocation month is June -> six months from December of the previous year to May

If the allocation month is December -> six months from June to November

[Calculation Example]

If global sales achieved six billion PV (six-month total) and the number of members who achieved the Gold Rank more than three times was 300 members, the Season Bonus would be 6,000,000,000 PV x 1% / 300 people = 200,000 PV (2 times chance in a year).

Bonus Payment

- All bonuses will be paid into MONEY TRACK*1 (debit card) on the 25th of the following month (the previous working day if that day is a holiday for the financial institution).

- Business Account Management Fee

Members have to pay an equivalent worth of 500 PV deducted from the bonus at the time of commission transfer as a Business Account Management Fee.

Business Account Management Fee will not be charged when commission is less than 2,500 PV equivalent. This fee is charged only in the month when the total amount reaches 2,500 PV equivalent or more and the bonus transfer is made.

- Global Calculation Fee

Since revenues made outside of members' registered countries must be transferred back, a Global Calculation Fee will be applied and calculated for each member based on the percentage of overseas sales figure in one's own binary organization. The Global Calculation Fee is equal to 10% of such percentage over total commission of the member.

For a certain member, the calculation will be as follows:

Consider the percentage of overseas sales figure in one's own binary organization as A%

$$\Rightarrow \text{Global Calculation Fee} = 10\% \times [A\% \times (\text{total commission})]$$

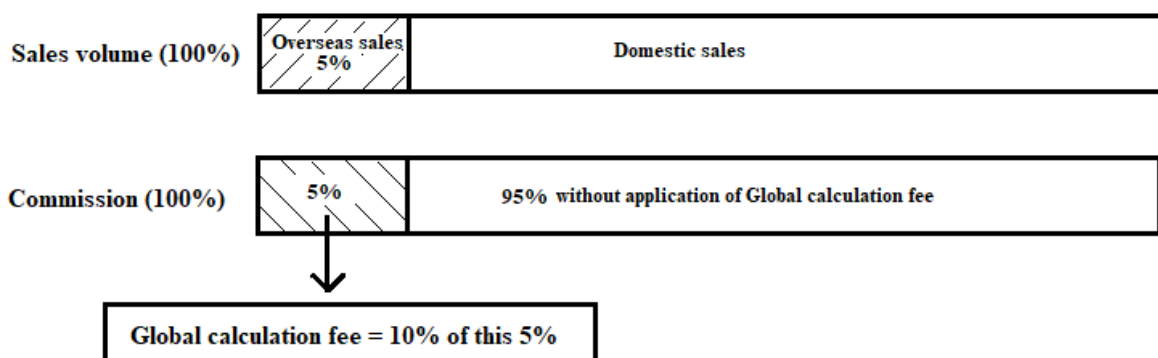

For example:

In the organization of member X in October 2019, total sales volume is 1,000,000 PV.

Overseas sales of his organization is 50,000 PV, which accounts for 5% of his organization's total sales volume.

His October commission is 200,000 PV.

$$\text{Global calculation fee} = 10\% \times [5\% \times 200,000\text{PV}] = 1,000 \text{ PV}$$

- If your bonus is less than 2,500 PV, it will be retained by Thanks AI and paid once your cumulative total reaches 2,500 PV.

- In case your cumulative bonus is 2,500 PV or more, but you cannot receive bonus for any reason (no card registered, wrong card registration information, etc), the bonus will be retained. Member can

receive the retained bonus in the next month accruing bonus or when making special payment request to Thanks AI via nfr@thanksai.jp.

- If the bonus cannot be paid due to some reasons, the payment will be added and paid with the following month's bonus. Please register MONEY TRACK by then. However, if you apply separately and pay a separate handling fee of 500 PV, you can receive payment without waiting for the next bonus.
- The holder of the MONEY TRACK account must be the person registered. You cannot designate another person.
- Bonus is retained by Thanks AI for one year from the date of bonus accruing. In case members become Revocation, they will lose the right to receive the bonus accrued during their membership period.
- Bonuses must be declared to the tax office. Please be sure to do so.
- If there is a charge back in your downline, your bonus may be adjusted accordingly based on the Rank Degradation rule.
