## Perfect Mineral Ai

### Vegetable mineral-containing food

Nutritional information:

Calories: 6.38kcal

Protein: 0.022g

Lipid: 0.014g

Carbohydrate: 1.542g

Sodium: 1.704mg

## Hybrid Mineral Ai

### Vegetable mineral-containing food

Nutritional information:

Calories: 10.56kcal

Protein: 0.55g

Lipid: 0.84g

Carbohydrate: 0.19g

Sodium: 14.05mg

**Many diseases are caused by a lack of minerals without exception.**

- Dr. Linus Pauling, two-time Nobel Prize winner

- I somehow get tired easily...
- I cannot recover from a cold quickly...
- I cannot sleep well...
- I often feel irritated...
- I am more forgetful...
- I cannot enjoy meals as I used to...
- I look old for my age...
- I am anxious about the luster of my skin and hair...

Mineral Ai supplements the “minerals”, which many people in modern society lack especially from among the five major nutrients, with our exclusive mineral content extracted from vegetables.

● Absorption and balance are important for the supply of minerals that cannot be generated within the body.

The supply of minerals can be meaningless if they are not absorbed by the body!

Minerals do not work effectively if they lack any ingredients, as they work collaboratively!

What are the ideal minerals which can address these two points?

### Perfect Mineral Ai

#### Vegetable mineral-containing food

Nutritional information:

Calories: 6.38kcal

Protein: 0.022g

Lipid: 0.014g

Carbohydrate: 1.542g

Sodium: 1.704mg

### Hybrid Mineral Ai

## Hybrid Mineral Ai (Granular type)

Mineral content from the ancient plant-derived sedimentary layer

“Replan”, a mineral found in modern vegetables

Popular anti-aging ingredient  
Resveratrol

Hybrid Mineral Ai is a supplement, in which minerals from the ancient plant-derived layer have been nurtured for about 100 million years, incorporating replan, a mineral found in modern vegetables. The product is made by concentrating Japanese herbs, tree leaves, seaweed, and resveratrol using state-of-art technology combined in each tablet.
