# Thanks AI Diamond pin instruction manual

Original jewelry with Thanks AI logo in 3D.
Made of platinum, natural diamonds are luxuriously used for a thick and solid structure.
It is a special Diamond pin for Diamond club members carefully manufactured one by one by craftsmen.
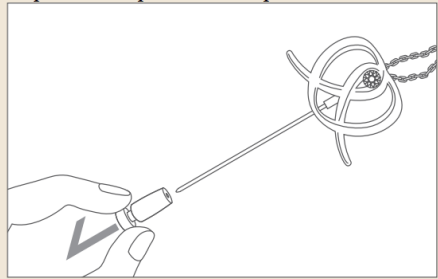

When using as a Diamond pin

1 How to attach the Diamond pin

Before using, please screw the pin into the logo part properly.

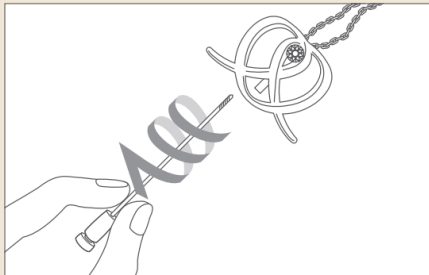

2 How to install the Diamond pin

Pull the tip of the clasp at the bottom of the pin to remove the pin. Also, when attaching, push in the pin until it stops.

When using as a Diamond pin necklace

1 How to remove the Diamond pin

Hold the needle part of the diamond pin and rotate the pin.

2

The pin comes off the thread and the diamond badge can be used as a necklace.
