### Party-Only Plan

"I want to visit countries other than Singapore!"  
"I want to enjoy a customizable itinerary!"  
This plan is suitable for members who prefer to travel independently but would still like to join the official incentive party. As long as you participate in the incentive party, the company will support part of your travel expenses based on the number of points you have earned!  
※ You are free to arrange your own itinerary. Please make your own arrangements for airfare, hotel, etc.
