Detail

- 1 During the campaign period, if you accumulate **200** boxes from the Small Group within 6 months, you can obtain a free invitation for **1 person** to join the overseas incentive trip.
- 2 During the campaign period, if you accumulate **400** boxes from the Small Group within 6 months, you can obtain a free invitation for **2 people** to join the overseas incentive trip.

Terms and Conditions

- 1 Those who do not meet the free invitation qualification may make up the shortfall by paying the difference. HKD50 is required per box.
[Example]
The small group accumulated 150 boxes within six months, 50 boxes short → 50 × HKD50 = HKD2, 500 (qualifies for 1 free invitation).

The small group accumulated 360 boxes within six months, 40 boxes short for the 2nd person → 40 × HKD50 = HKD2, 000 (qualifies for 2nd free invitation).
- 2 Each qualified member can receive a maximum of 2 free invitations.
- 3 Boxes exceeding the specified threshold cannot be transferred or combined with others for calculation.
[Example]
Accumulated 230 boxes — already qualified for 1 free invitation. The extra 30 boxes cannot be transferred or combined with other members.
- 4 Qualified persons who are unable to join may transfer their qualification to another member. The overseas incentive obtained still belongs to the original qualified member, and the transfer must be reported and approved.

Qualification transfer must comply with the following rules:
 - The boxes used to qualify for an invitation must be transferred in full and cannot be split.
Example: 230 accumulated boxes cannot be split into 200 for A and 30 for B.
 - One qualification (230 boxes) can only be transferred to one person. The shortfall of 170 boxes must be supplemented → 170 × HKD50 = HKD 8, 500.
 - All transferred qualifications and supplementary payments must be applied for and paid by the same person. They cannot be handled separately by different person.
 - If the transferee already has their own small group sales performance, they can only choose to use either their own performance or the transferred qualification — they cannot be combined.
- 5 The second person included in the free invitation is not subject to any relationship restrictions but must be a Thanks AI member.
- 6 The tour fee includes air tickets, accommodation in Vietnam, meals, transportation and tour guide tips. Tips, personal consumption, and any other unlisted expenses are to be borne by the participants themselves. Participants must assemble at the designated airport on their own for this trip.
- 7 If a member qualifies for the second free invitation but has no companion, the invitation will be forfeited and cannot be redeemed for cash or any other form of compensation.
- 8 Members have to confirm whether they have qualified for the trip and the supplementary payment amount (if any), Thanks AI will announce the overseas registration date and relevant details later.
- 9 Thanks AI reserves the right to make the final interpretation and the right to amend or adjust the rules of this activity if necessary.
